

VINCENT LEONG

VINCENT LEONG is an international trainer of Wholesome Training and a serial entrepreneur. He has dedicated most of his time in training and coaching various youths from different parts of the globe. He is also one of the five Multiregion Leaders of the United Religious Initiative (URI). He has been invited to numerous occasions for training and coaching, notably one by the URI in Florida, United States of America.

As a trainer in Wholesome, he assists in the development of new programs which aims to help one achieve their goals through utilising inner games within ourselves. He is currently engaged with various training programmes namely Wholesome Attitude Programme (WAP) for Insurance agencies with both English and Malay as the medium.

Wholesome Clients:
